This fully fenced 10.07-acre property offers easy access and privacy. Enter this well maintained double wide home from the open front porch/deck. Inside you will find a living room, a family room, a remodeled kitchen, two dining areas, a laundry room, 3 bedrooms, and 2 bathrooms in a split floor plan. The kitchen has been beautifully remodeled with an island and ample cabinet space for storage. The master bathroom boasts a new custom-built walk-in shower. Enjoy a full length covered patio at the back of the home. The private well has a 2500-gallon storage tank. Two shipping containers with solar power at the horse corrals provide storage and feed/tack rooms. There are two detached carports, and four storage sheds.
